Dear M:

This is to inform you that we are in receipt of your correspondence regarding the Clark Mountain herd area and accompanying report, "Wild Burros of the American West." I appreciate the effort you put into preparing these documents and thank you for sharing them with the Bureau of Land Management (BLM).

The California BLM will provide you with a response to specific issues you raised on Clark Mountain. However, because your "Wild Burros of the American West" addresses management issues common to several western states, the Wild Horse and Burro National Program Office will respond for BLM.

If you have any questions, please contact Tom Pogacnik, Wild Horse and Burro Program Manager, at (916) 978-4637.

Sincerely,

Mike Pool  
Director
