

### **California's Wild Horse Estimated Population**

California's Allowable Management Level 1,746 Wild Horses  
(Wild horse populations should not exceed this number according to BLM)

Total as of 2/28/07	2,371
<u>+ 20% Reproduction</u>	<u>474</u>

Total as of 7/1/07	2,845
Planned Removals	500
Estimated Remaining	
As of 9/30/07	2,345

I also know they plan on removing wild horses from Wall Canyon as well but don't have the removal numbers available.

### **Scheduled Removals**

Nut Mountain	160
Carter Reserve	100
Massacre Lake	140
New Ravendale	20
Bitner	80
